Notice: Some DNR grant programs allow volunteer labor to count as the grantee's match to grant funds provided by the Department. If you have a grant from one of those programs and choose to use volunteer labor as part of your match, use this form to document volunteer labor. Personal information collected will be used for administrative purposes and may be provided to requesters to the extent required by Wisconsin's Open Records Law (ss. 19.31-19.39, Wis. Stats.).

**Instructions:** Completed form or form developed by grantee showing the same required information <u>must</u> be submitted with each reimbursement request (both partial and final) to verify volunteer labor.
